1957 ALUMNI FUND REPORT

Volume II

SEPTEMBER, 1957

Number I

September 27, 1957

Dear Alumnus:

The 1957 Alumni Fund drew to a close on June 30, 1957. Final tabulation indicated that 433 Alumni contributed \$6,026. This is a wonderful advance to what will continue to be a significant contribution to the development of Lycoming College.

I desire to voice my appreciation to Dr. Ralph C. Geigle, who served so well as chairman of the 1957 Fund. The Class Agents likewise served so admirable in contacting members of their classes. I have the honor to announce that W. Russell Zacharias, '24, will serve as Alumni Fund Director for 1958. He is past president of the Alumni Association and served a three year term as an Alumni representative on the Board of Directors of Lycoming College. Very shortly Mr. Zacharias will be setting in motion the machinery whereby each alumnus can contribute something to the school which has contributed so much to so many of a great number of prep schools and college generations.

If you have not been back to the campus for a while, you should plan to attend Homecoming Day on Saturday, November 2, 1957. You will thrill, as I have, at the tremendous changes that are rapidly taking place on the college grounds. The Fall issue of The Bulletin contains a reservation blank for Homecoming. Why not return, plan to meet old school chums, see a good game under Mr. Busey's excellent coaching and relax in the old yet new environment of the campus.

On the following pages you will find the names of your classmates who have contributed to the success of the 1957 Alumni Fund. The list includes those contributions made up to and including June 30, 1957. If your name is there, we thank you very much for your concern. If your name is not there, won't you make it possible for it to be there this time next year?

Lycoming College is proud of its Alumni, and it is striving constantly to warrant the pride we Alumni have in it — but it does need our help.

Sincerely,

VICTOR B. HANN, '24  
President, Alumni Association  
Lycoming College
